

# SPEECH LANGUAGE PATHOLOGIST / THERAPIST ROLE

Do you have a passion for developing children's communication skills and delivering exceptional client care and outcomes?

This is an opportunity for a **new graduate, early career** or **established speech pathologist** to work closely with the practice owners and be part of a healthy and vibrant team with genuine support, flexibility, manageable caseloads, a focus on personal and professional development, and long-term career growth.

## About Us

Little Language is a well-regarded, family-centred paediatric clinic established in 2015. Our small team has over 30 years of experience and we pride ourselves on offering exceptional speech-language pathology to children in a range of clinical settings. We value growth, results, relationships, integrity, passion, communication, and enjoyment.

Our goal at Little Language is to enable children of all ages with speech, language and literacy challenges find their roar.

## Your Benefits

- **Regular in-person support** – weekly one-on-one and team meetings, and daily check-ins to ensure you reach your clinical and personal goals and are thriving
- Daily informal **whole team sharing** of ideas, tips, and tricks
- **Formal supervision, session debriefing, reflective practice** and **clinical analysis** support - as much as you need
- Our two female, experienced, speech-language pathologist owners love to really know and champion our team – **we are genuinely available to you** to guide, support, nurture, listen, laugh, and chat
- A **focus on team mental and physical health and wellness** – we're talking walk and talk meetings, team lunches, axe throwing, celebrations, meditation, sweepstakes, charity drives, bingo, coffees, cocktails, and a stocked snack drawer

- **Manageable caseloads** where you can flourish
- **Flexible hours** - we understand you have families, hobbies and a life outside of work and want to ensure you have balance
- An environment where you can **contribute** and will **be seen and valued**
- Your **birthday off** to celebrate your way!

## About You

In this dynamic role, you will create your own meaningful and manageable caseload with children aged 18 months to 18 years, supporting a wide range of differences in speech, language and literacy, and deliver service in our Ashmore clinic, in daycare and school settings, or via Telehealth.

- You have **energy** and **passion** for working with children and for upholding the **integrity** of our speech pathology industry
- You are **committed to growth**, to finding solutions, and hold yourself to a **high standard**
- You are **organised** and take **initiative**
- You are **approachable** and thrive working both collaboratively and independently
- You **communicate easily** and can build genuine relationships with your clients and team
- You use your **strong clinical skills** to constantly assess and adapt goals
- You constantly **explore** the latest evidence-based practice and current technologies

## Our Team

We are small but mighty and genuinely like each other! We have a culture of building each other up and love to have fun and a good laugh together.

*Little Language Speechie Chloe Campbell says, "I love working at Little Language because I am presented with new opportunities every day to make a meaningful difference in my client's lives through developing their communication skills. Danielle and Yvonne foster a supportive and collaborative environment that provides opportunities for professional growth and where I feel supported and valued as a member of the team and as a clinician."*

*Little Language AHA Isabelle Schmidt says, "Working at Little Language allows me to grow as a Masters of Speech Pathology student. I'm surrounded by experience and passion, which is a great environment to work in. Our clients are beautiful, and being able to support them in reaching their goals is a privilege."*
